THE FIRE IN QUEEN'S ROAD WEST THE MARTER OF THE SHOR CHARGED WITH

The adjourned enquiry into the circumstances attending the recent fire in Queen's-road West was resumed by Hou. H. E. Wodehouse on Saturday at the Magistracy. Mr. Dennys watched the case on behalf of the master of the shop-The following evidence was taken :-

Inspector Mackie, recalled, said-After the djournment I went to the scene of the fire with the master of the shop, in order to give him an opportunity of pointing out any remains of the silk which he said was in the shop. He pointed out some remains of shoes and soveral very small fragments of silk. A careful search was made, and the few small fragments produced were all the traces of silk he could find. coolies were employed in the search. The cocking that of the previous year, was below the twelve or fifteen feet of the front door. It was issue of 1887. It is noted that for the first time see into the cockloft by standing on tiptoe. I it said in evidence that there were eight boxes of silk in the shop. I saw nothing of them. If

they had been there I should have seen them when the fire first broke out. with Inspector Mackie to the premises. The fragments produced are what were pointed out as the remains of the silk and the shoes that were myself. There were six books altogether. Four were burnt. Nobody reported the fire to me. was in the Kam Hing shoe shop in Lascar

have been at any other period. Mr. M'Lean | Chung Hung, shipping clerk in the Yuen Fat certainly carries with bim the wishes of a very Hong, said-The Kong Beng arrived here from

In reply to his worship the master of the shop said he paid the freight to Mak Ping, the man in charge of the cargo. The witness Chun Hung said Mak Ping was a tallyman. He was not authorised to receive payments of freight. The manifest contained no mention of a consignment of timber to the

Kwong Shing shop. The master of the shop said his goods were sometimes brought to him by some of the crew on the steamer and therefore dil not appear on the manifest. This concluded the evidence.

His Worship said-This inquiry has been conducted under the Fire Inquiry Ordinance, the shall have taken place the police take possession say, but it would appear that the whole town is procedure of which is that as soon as a fire of the premises where the fire is supposed to suffering from the outbreak, and that the have originated, and make an inspection of the transaction of ordinary business is rendered im-The Magistate then considers the facts stated possible. n the report, and unless he is satisfied that the any offence, or, although it does yet does not ings on the part of the police. The the Grand Hotel, Northumberland Avenue, at 18 Asiatics. There are 51 day scholars, 32 hove barbarity being simply hideons to behold. eigner-hating city. It seems that one day not speak well for the honesty of some Cathelics of the latter and 16 Eurasiana of ally grinning the while, showing the fearful lot that might befall others who fell into their clutches. This occurred on one or two occasions, and goes to prove the excited state of mind in which the combatants were. Although these fearful crimes were being committed, it must be said that the conflict was conflued to the memimportance as it endeavours to demonstrate the bers of the two societies. Several Europeans werelin the vicinity, but at present we have heard of ro assault upon any one. The battle wards civilisation and improvement Japan is continued all that day. During the evening it quoted as an example of the good results that got wind that the coolies intended firing Meants. accrus from a liberal policy, and officials and Windsor, Rose & Co's mill. The manager's call. for assistance brought forward the Chief Engineer of the Hecate, and some of the Engineers and Officers from the two Red Funnel boats Several women were carried away from the lying in the harbour, so that altogether, a team

while seven guarded the godown. These who

had not firearms of their own, were provided with

them by the Engineer of the mill. The Hecale

was lying alongside the whart near he mill

tain and Officers were rather slarmed last the

mob should rush and attempt to set fire to the

ship. Steam was got up in the boilers, a born

was attached to the donkey pump, a strict watch

emergency. The coolies made one or two attempts

to got at the mill. Once they sent, a bundle of burning substance dangerously close, but the stoff was soon extinguished. The Europeans did not know one society man from another, so they the cavelry. In the rush to get away, about off on the 14th June at the scene of the crime different men were unborsed, but those who struck without any public disturbance. on with their long swords created a sheel among In Java, success has attended efforts to make from the time the order to charge was given, not influences. were then drawn up in line along the road in year makes a satisfactory showing, in so far that to stop when called upon to do so, they were bayonetted without morey. In the meantime a capital in interest yielding securities. The Golarge number of steam launches were patrolling vernment will not hear of altering the charter. the river, so that every possible chance of escape to the contrary.

was that off to the coolies. Having got so The Locomolief learns on good authority that, much order restored, the troops stationed on at Sourabaya, the price of coffee continues satisthe boats, into the water, on beard of the Hecate, 60,000 piculs.

In fact the poor creatures, now mad with sheer. In Edi tranquillity has been restored so far fright, were seeking any hole or corner where that a large portion of the expeditionary force there was a possible chance of escape. Several has returned to Kotta Rajah. There the to death. Not a few chase the latter, probably Straits Times. thinking it the better expedient than the later tribunal. After this chase the Captain of the Hecate allowed his vessel to be searched. Coolies were hauled out from the boiler furnaces, the funnel, ship's boats, water tanks, the galley, coal box, and even out of the officer's bunks, where they lay as flat as any human being possibly could lie in order to avoid detection, but it was no good, the cuts little Siamese stuck their way, something like two hundred coolies were captured. As they were caught, each man's arms were tied behind his back with his own the troughs of the pigstyes adjoining the mills. injured. their hodies, with the exception of their masal organs, being completely submerged in the foul smelling pigswash. About 900 were taken into custody. During the melée the troops were and has gone to Knebworth. not above a little looting, the cargo on the Chinese boats claiming a good share of their attention. Probably we shall hear later on how

[FROM THE STAM MERCANTILE GAZETTE.] On Wednesday evening a serious conflict took | preise on beer in India is being considered. place in the New Road, behind the Rico Mills. between the Chinamen from Swatow and those from Amoy, which resulted in the deaths of several of the rioters, and also it is said of one or two onlockers. Some of the rioters were armed with long bamboo poles sharpened at the end. and it is said shed with iron, others had firearms, ing the charges preferred against officers in Bur-The fighting was very keen, and it may be im- mah of summary and wholesale executions and agined there were a good many killed and wound. other abuses, and cannot order an inquiry with thing, and the riot was only stopped by the derkness. It was resumed, however, next mornand continued all Thursday, the traffic on the road being completely stopped. On Friday morning the military were called out, and a large boly of troops, both Cavelry and Infantry, was sent down to the scene of the disturbance, and quickly put a stop to the rioting. It is a pity this stap was not taken soo ser. We hear that about eight or ten of the rioters were killed durthe Porte is requested to fulfil the conditions of that the police were recovered. It is really time the Berlin Treaty. that the police were reorganised and placed in a condition to cope with these disturbers of the

the rioters came off.

LATER NEWS. Yesterday morning a squadron of Cavalry ander Captain Castenskield, a detachment of issue unplaced bonds, in order to maintain the not lesst, the marines under Commodors A. question as to its completion. de Richelian appeared on the scene of the riots; a lively in lade took place, and a good many Chi samen were killed and wounded, but it must be said that the Siamese soldiers acted humanely, and no unnecessary blood-shed took place. About siz hundred Chinese were captured at the different Rice Mills and tled together in pairs with their pirtails which came in very handy for the purpose. About 400 guns, revolvers, and spears were seized. Numbers of the rioters were caught in the water tanks of the steamer Hecale, in her on the subject. It will be a pity if the project coal bunkers, and in the funnel, and some were caught bundled up is small baskets and among pire fodder with only the mouth and nose above the surface.

Mr. B.B. Gould, the British Charged'Affaires accompanied by Mr. French, the Acting Consul and several officials of the British Legation, was on the some of action and gave permission where the house of British subjects had to be searched. Owing to some requests addressed to the German Legation having been written in Siamese, some delay occurred before searching Messrs. A. Markwald & Co.'s Mill. It is to be hoped that now the Siamose have

shown themselves to be masters in their own country, they will keep the upper hand of the Chinese and not permit anything of the kind to OCCUP again. The riots will cause heavy loss to the steam-

ship lines to Singapore and Hongkoog. The steamer Hecate, which should have left yesterday, is not yet discharged; the steamer Hecuba the steamer Hydra is expected.

between thirty and forty, taken during the last and country outside of Great Britain, the Marziota some four montha ago, were released after | quis of Dufferin said :- "Removed as we are paying each three cattles as a fine.
